

Below is a screen shot of the Girl Scout web page that sends girls to do research on the website of the pro-abortion Global Fund for Women. To help you easily find the link we have highlighted it in yellow.

The screenshot shows the Girl Scout website at the URL [www.girlscouts.org/program/gc\\_central/interest\\_projects/global\\_girl\\_scouting.asp](http://www.girlscouts.org/program/gc_central/interest_projects/global_girl_scouting.asp). The page has a green and white color scheme. At the top, there is a 'DONATE NOW' button and a search bar. Below the navigation menu, the main content area is titled 'Girl Scout Interest Projects For Cadettes, Seniors, and Ambassadors'. The 'Global Girl Scouting' section includes a paragraph about the project's goal and a list of activities. The 'Breakin' It Down' section explains the project's purpose. The 'You've Got MAD Skills' section lists activities adapted for 'Global Girl Scouting'. A 'Helpful Links' section is highlighted in yellow and lists several organizations, including 'The Global Fund for Women' ([www.globalfundforwomen.org](http://www.globalfundforwomen.org)). A sidebar on the left contains various program links, and an 'Also See' box on the right suggests related content.
