Frequently Asked Questions

What is GSUSA's position regarding human sexuality, birth control, abortion?
Girl Scouts of the USA does not take a position or develop materials on these issues. We feel our role is to help girls develop self-confidence and good decision-making skills that will help them make wise choices in all areas of their lives.

Parents or guardians make all decisions regarding program participation that may be of a sensitive nature. Consistent with that belief, GSUSA directs councils, including volunteer leaders, to get written parental permission for any locally planned program that could be considered sensitive.

Does GSUSA have a relationship with Planned Parenthood?
No, Girl Scouts of the USA does not have a relationship or partnership with Planned Parenthood.

Did GSUSA distribute a Planned Parenthood brochure at a U.N. event?
No we did not. In 2010 GSUSA took part in the 54th Commission on the Status of Women at the United Nations. Our participation in that conference was the subject of numerous internet stories and blogs that were factually inaccurate and troubling. Girl Scouts had no knowledge of the brochure in question and played no role in distributing it.
