Who We Are

We are the Planned Parenthood Federation of America (PPFA) International Program, headquartered in New York with regional offices in Nairobi, Kenya, and Miami, Florida. PPFA has a long history in international women's health care, which began in 1952 when we co-founded the International Planned Parenthood Federation (IPPF). Since 1971, we have worked in developing countries to improve women's health through health care delivery and advocacy.
